Re: United States of America v. City of Albion, Michigan v. Cooper Industries, et al., Case No. 1:97-CV-1037 (W.D. Mich.); Sheridan Township Landfill, Calhoun County, Michigan

Dear Frank:

Pursuant to your Subpoena to City Councilperson Lola Turner, we are producing the enclosed documents. These documents are responsive to the Subpoena as apparently relating to the Sheridan Township Landfill. Although these documents were all in Lola Turner's possession, many of the documents are of unknown origin, having been left in her car by an unknown person. We have withheld from this product attorney-client privileged and FRE 408 documents. We have also not produced certain City Council Minutes which reference an Executive Session to discuss pending litigation but do not identify the subject matter, as such do not appear on their face to be responsive or relevant.
